The people who know you best.

These are the people who knew you before life went into fast forward. They’re the people who have been where you’ve been and done incredible things. These are the people who speak your language like no one else. They understand what it means to bleed maize and blue. These aren’t just classmates; these are the sharpest minds in the nation who attended one of the top medical schools in the world. And once again, they’re all getting together for one of their favorite weekends. It is my pleasure to invite you back to the incomparable University of Michigan for the 2014 Medical School Reunion.

The weekend includes a stadium full of cheering Wolverines as they take on the Hoosiers, captivating presentations by our Medical Center Alumni Society award winners, tours, food, fun and best of all, time to reconnect with old friends. We encourage you to register now! How could you not want to see what everyone is up to?

There are a lot of Wolverines that can’t wait to see you. So come catch up and have a great, meaningful, fun weekend with the family!

Sincerely,

Stephen M. Papadopoulos, M.D. (Residency 1988)

It was a terrific time! ... Made me realize what a great institution I attended.

Gets better every year. ... Exceeded my expectations!

Wonderful event!

Excellent in all regards.

I am so lucky/proud/thankful to be a Michigan grad and I’m never disappointed by what I see when I return to campus.

The best reunion or convention that I ever attended.

Fabulous, thanks!

I signed up with trepidation. I left feeling blessed for having been a part of such a wonderful group of people.

Entire weekend was excellent, far better than we anticipated!

Fantastic from start to finish!
